# Legacy Computer Replacement System (LCRS) Recertification and TSS Reinstatement Service

For former customers of COMPRO's Total System Support (TSS), an LCRS Recertification and TSS Reinstatement Service (LR/TSSR) is now available to resume LCRS support.

LR/TSSR Deliverables

- Labor for on-site physical, diagnostic, and operational system check
- Mandatory hardware updates
- Mandatory software updates

LR/TSSR Terms and Conditions

- Available only for LCRS
- Maximum one-year lapse since prior TSS contract
- Remote travel expenses not included (travel time, air fare, per-diem, auto)
- Assembly repair or exchange not included
- Non-discountable

Ordering Information

- Model Number: CS99-706-001
- Description: LCRS Recertification/TSS Reinstatement Service
- Pricing: Pricing is based upon 10% of the annual Total System Support list price.
